

## Phase 1 - Initial

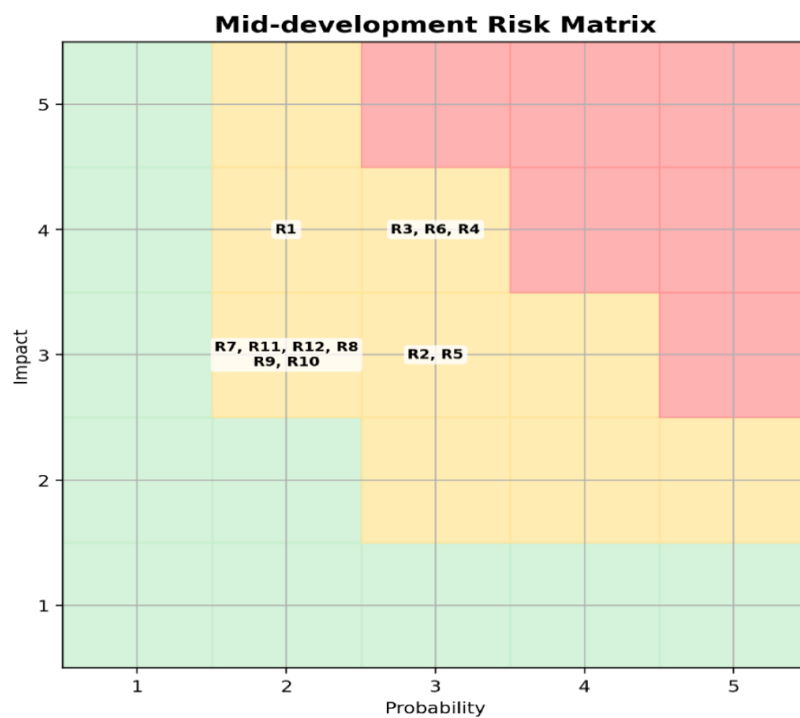

| Risk ID | Probability | Impact | Risk Factor |
|---------|-------------|--------|-------------|
| R3      | 4           | 5      | 20          |
| R6      | 4           | 4      | 16          |
| R4      | 3           | 5      | 15          |
| R1      | 3           | 5      | 15          |
| R2      | 3           | 4      | 12          |
| R5      | 3           | 4      | 12          |
| R7      | 3           | 3      | 9           |
| R11     | 3           | 3      | 9           |
| R12     | 3           | 3      | 9           |
| R8      | 2           | 4      | 8           |
| R9      | 2           | 4      | 8           |
| R10     | 2           | 3      | 6           |

## Phase 2 - Mid-development

| Risk ID | Probability | Impact | Risk Factor |
|---------|-------------|--------|-------------|
| R3      | 3           | 4      | 12          |
| R6      | 3           | 4      | 12          |
| R4      | 3           | 4      | 12          |
| R1      | 2           | 4      | 8           |
| R2      | 3           | 3      | 9           |
| R5      | 3           | 3      | 9           |
| R7      | 2           | 3      | 6           |
| R11     | 2           | 3      | 6           |
| R12     | 2           | 3      | 6           |
| R8      | 2           | 3      | 6           |
| R9      | 2           | 3      | 6           |
| R10     | 2           | 3      | 6           |

Mid-development Phase Matrix

# Phase 3 - Final

| Risk ID | Probability | Impact | Risk Factor |
|---------|-------------|--------|-------------|
| R3      | 2           | 3      | 6           |
| R6      | 2           | 3      | 6           |
| R4      | 2           | 3      | 6           |
| R2      | 2           | 3      | 6           |
| R1      | 1           | 2      | 2           |
| R5      | 1           | 2      | 2           |
| R7      | 1           | 2      | 2           |
| R11     | 1           | 2      | 2           |
| R12     | 1           | 2      | 2           |
| R8      | 1           | 2      | 2           |
| R9      | 1           | 2      | 2           |
| R10     | 1           | 2      | 2           |
